

REMARKS

Examiner allowed claims 1-2, and 5-6 but noted that claims 5-6 are redundant in light of the allowance of claims 1-2 and suggested the cancellation of claims 5-6. Applicants hereby cancel claims 5-6.

Examiner rejected claims 3-4 under 35 U.S.C. §101 as being directed to non-statutory subject matter but suggested that they would be allowable if arrangement features of claim 1 were included. Applicants hereby amend claim 3 to include the arrangement features of claim 1. Applicants offer that claim 4, in light of the amendment to claim 3, is now allowable since it depends on claim 3 and, therefore, includes the arrangement features of claim 3.

Reconsideration of the application in light of the amendment and allowance of claims 3-4 are requested.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "Robert D. Morelli", written in a cursive style.
